Témoignage

“I was very pleased with the support we received from Phénix Privacy during their time as interim DPO. They brought **strong expertise**, quickly adapted to our company’s way of working, and were an **excellent team player.**”

Témoignage

“Phénix Privacy team was also **extremely flexible and reliable**—whenever we faced an urgent matter, **we could count on them** to assist us every step of the way. We would not hesitate to seek Phénix Privacy support again in the future.”
